

2011/2012 PWR Mentorship Program

Thank you for your interest in the Mentorship Program. The program is designed for members to interact with our scholarship recipients; providing professional guidance, information, ideas, support and resources. Thank you for your interest in the Mentorship Program. The program is designed for members to interact with our scholarship recipients; providing guidance, information, ideas, support and resources. I would encourage you to evaluate your own areas of expertise and mentor based on those strengths.

You will be mentoring each recipient for 3 months at a time. The program is set up for three month periods to give you enough time to get to know her and then bring value. Also, it should give you time to meet with the recipient in person. The first 3 month period will be June – August, the second is September – November, the third is December – February and the fourth is March - May.

The purpose of the mentorship program is specifically geared toward guiding young women in their professional lives. This is NOT a time to sell or represent your products or services. This is an opportunity to give back to the community. In addition, please use your *best* professional judgment in discussing sensitive issues such as, politics, religion, an individual's personal life style, etc. You will be removed from the Mentorship Program if it is determined that you have used this time to sell products or services to our scholarship recipients or if it is determined you have not been professional when sensitive topics have arisen.

Any costs incurred while mentoring (i.e. lunch/coffee with recipient, long distance calls, etc), are yours. PWR will not reimburse these costs.

You must be a PWR member in good standing to participate in the Mentor program.

Please fill in the information below and return by June 2, 2011. Please email or fax to:
